

AC CLEAN

Creamy acid cleaner

Creamy acid cleaner for cleaning of saltpeter / efflorescences and cement residues on terracotta, stone and vertical natural stone surfaces.

*Vertical coverage: 1 litre for approx. 5-6 m2
Floors coverage: 1 litre for approx. 30-40 m2
In any case the coverage depends on the finish
and on the dirt of the surface*

Strong points

- Concentrated, water-dilutable
- Effective for elimination of saltpeter on walls
- Building site dirt cleaner
- Eliminates cement residues and cleans from dirt
- Specific for terracotta walls
- Suitable for horizontal surfaces

Application

SHAKE BEFORE USING.

It is an aggressive and corrosive product, do not use on polished marble.

CONCENTRATED PRODUCT.

Cleaning on vertical surfaces: apply AC CLEAN directly onto the surface to clean by brush or scrubbing brush. Rub with an abrasive pad. Allow to act for about 10-15 minutes and rinse out with water. Do not allow AC CLEAN to dry on the surface, since it could leave undesired marks.

Cleaning on horizontal surfaces: dilute 1 litre of AC CLEAN in 4-5 litres of water. Apply on the surface to clean, rub with an abrasive PAD or a scrubbing brush. Allow to act for about 10-15 minutes and rinse out with water. Suck up the dirt with a water vacuum. Do not allow AC CLEAN to dry on the surface, since it could leave undesired marks.

Warnings

Before using the product, read the toxicological data sheet (MSDS) and the label detailing all risks and the personal protective equipment to be used for a correct use. The data of this technical data sheet is based on reliable information. Despite of this, the manufacturer can't know in advance the condition of the materials to be processed and the way of use of the product. Therefore, he disclaims any and all responsibility for damage arising from inadequacy of the product for special applications.

Before treating or cleaning surfaces, carry out a test on an invisible point to prevent possible damages, since our responsibility is limited to the warranty of the purchased product and therefore we disclaim any responsibility for damages resulting from negligence or wrong use.

Packaging and Storage

Keep the original, sealed container in covered, ventilated, dry environment and keep away from heat or low temperatures. After the use keep the package well closed, so the product has a shelflife of approx. 36 months.
Box of 15 x 1 litre bottle – Box of 4 x 5 litre cans
