

# CER CLEAN +

## Degreasing cleaner

Cleaner for any kind of ceramic tile with strong cleaning power, especially for heavy, greasy or blackish dirt, due to foot traffic. Specific for regular and deep cleaning.

Coverage: 1 litre for approx. 10-100 m<sup>2</sup> depending on the finish of the surface and on the dirt.

### Strong Points

- Concentrated
- High dilution ratio
- Solvent free
- Strong degreasing power
- Ideal on ceramic tiles

### Application

#### SHAKE BEFORE USING.

CONCENTRATED PRODUCT.

Dilutions: - light dirt: 1 litre CER CLEAN + in 18/20 litres of water  
- persistent dirt: 1 litre CER CLEAN + in 4/5 litres of water

Manual cleaning: Pour the solution onto the surface, allow to act about 5-10 minutes, rub using a floor brush and rinse out with water

Cleaning with machines: Pour the solution onto the surface, allow to act about 5-10 minutes, rub using a cleaning machine, suck up the dirt with a wet vacuum cleaner, rinse out with water.

On porous ceramic it is recommended to use a brush.

### Warnings

Before using the product, read the toxicological data sheet (MSDS) and the label detailing all risks and the personal protective equipment to be used for a correct use. The data of this technical data sheet is based on reliable information. Despite of this, the manufacturer can't know in advance the condition of the materials to be processed and the way of use of the product. Therefore, he disclaims any and all responsibility for damage arising from inadequacy of the product for special applications.

Before treating or cleaning surfaces, carry out a test on an invisible point to prevent possible damages, since our responsibility is limited to the warranty of the purchased product and therefore we disclaim any responsibility for damages resulting from negligence or wrong use.

### Packaging and Storage

Keep the original, sealed container in covered, ventilated, dry environment and keep away from heat or low temperatures. After the use keep the package well closed, so the product has a shelf life of approx. 36 months.  
Box of 15 x 1 litre bottle – Box of 4 x 5 liter cans
