

CER CLEAN ULTRA

*Acid cleaner for building site
dirt on ceramic*

Acid cleaner for cement and grouting residual

Strong Points

- Water dilutable concentrate
- Solvent free
- Buffered acid
- Does not produce harmful fumes
- Can be sucked up and used with machines
- Effective also on resinous grouting
- Excellent on porcelain stoneware (gres): cleans and revives the original color and shine

Coverage: 1 litre for approx. 15-20 m2 depending on the finish of the surface and on the dirt.

Application

SHAKE BEFORE USING

CONCENTRATED PRODUCT. DO NOT USE PURE.

- Dilution:
- light dirt: 1 litre of CER CLEAN ULTRA in 8-10 litres of water.
 - heavy dirt: 1 litre of CER CLEAN ULTRA in 4-5 litres of water.

Check the most suitable dilution on a small, not visible area.

Manual cleaning: Make the surface wet and pour the solution directly on the floor, allow to act for approx. 5 minutes, rub with a scrubbing brush, suck up the dirt with a water vacuum, rinse out with water. Do not allow CER CLEAN ULTRA to dry on the surface, since it could leave undesired marks.

Cleaning with machines: Make the surface wet and pour the solution directly on the floor, allow to act approx. 5 minutes, rub with a cleaning machine using suitable discs, suck up the dirt with a water vacuum, rinse out with water. Do not allow CER CLEAN ULTRA to dry on the surface, since it could leave undesired marks.

Warnings

Before using the product, read the toxicological data sheet (MSDS) and the label detailing all risks and the personal protective equipment to be used for a correct use. The data of this technical data sheet is based on reliable information. Despite of this, the manufacturer can't know in advance the condition of the materials to be processed and the way of use of the product. Therefore, he disclaims any and all responsibility for damage arising from inadequacy of the product for special applications.

Before treating or cleaning surfaces, carry out a test on an invisible point to prevent possible damages, since our responsibility is limited to the warranty of the purchased product and therefore we disclaim any responsibility for damages resulting from negligence or wrong use.

Packaging and Storage

Keep the original, sealed container in covered, ventilated, dry environment and keep away from heat or low temperatures. After the use keep the package well closed, so the product has a shelf life of approx. 36 months.
Box of 15 x 1 litre bottle – Box of 4 x 5 liter cans
