

MGP 26

PROFESSIONAL stripping and degreasing cleaner for cleaning or maintenance. SOLVENT AND ACID FREE.

Universal stripping detergent for cleaning or maintenance and elimination of polishing waxes or treatments. Removes water based metallic, synthetic and natural waxes. Excellent also for persistent dirt, blackenings, unctuousity and dirt deposits in the porosity and in the joints. Suitable for floors, cladding, tables and kitchen countertops of marble, granite, ceramic, natural stone with any kind of finish; polished, matt, brushed etc..

MGP 26 is a product for maintenance cleaning where the surfaces need to be restored and/or a deep cleaning. MGP 26 is solvent and acid free and protects the materials.

Coverage: Approx. 10-50 m² with 1 liter. This indication may vary according to the type of wax or treatment or dirt to be removed.

Strong points

- Effective on most waxes
- Concentrated
- High dilution ratio
- Strong degreasing
- Solvent and acid free
- Ideal for maintenance
- Eliminates dirt deposits
- Cleans blackish joints
- Easy to use
- Not aggressive on materials

Application

Shake before using. CONCENTRATED PRODUCT

Dilutions: Light dirt: 1 liter MGP 26 in 5/6 liters of water. Persistent dirt: 1 liter MGP 26 in 2 liters of water

Manual cleaning: Pour the solution onto the surface, allow to act about 10 minutes, rub using a floor brush or a sponge to detach the wax and the dirt from the surface, suck up the melted wax and dirt with a wet vacuum cleaner and rinse out with water. Repeat if necessary.

Cleaning with machines: Pour the solution onto the surface, allow to act about 10 minutes, rub using a cleaning machine or roller brushes machines, suck up the melted wax and dirt with a wet vacuum cleaner and rinse out with water. Repeat if necessary.

Warnings

Before using the product, read the toxicological data sheet (MSDS) and the label detailing all risks and the personal protective equipment to be used for a correct use. The data of this technical data sheet is based on reliable information. Despite of this, not knowing either the materials to be treated nor their conditions, the specific characteristics, the processes and finishes they have undergone, the conditions of the treated materials and the way in which the product will be used, we decline any and all responsibility for damage arising from inadequacy of the product for specific and particular applications.

Therefore, before using the product, carry out a test on an invisible area of the surface and only when sure about the success, proceed on a larger area.

Our responsibility is limited to the cost of the purchased product and therefore we are not liable for damages resulting from negligence or incorrect or different use of the product, from not following these warnings or by other factors that do not depend on the product itself.

Packaging and storage

Keep the original, sealed container in covered, ventilated, dry environment and keep away from heat or low temperatures. After the use keep the package well closed, so the product has a shelf life of approx. 36 months.

Box of 30 x 0.250 L spray bottles. Box of 15 x 1 L bottle. Box of 4 x 5 L cans.
