

BETONSEAL

Concrete surfaces protector. SOLVENT FREE

Ecological penetrating base sealer for concrete.

Coverage: 1 litre for approx. 10-12 m2 depending on the finish of the surface and on its absorption.

Strong points

- Not film forming
- Does not change the color of the surface
- Base protector
- Solvent free
- Oil repellent

Application

SHAKE BEFORE USING

READY TO USE PRODUCT, DO NOT DILUTE.

On clean and dry surfaces apply BETONSEAL directly, spreading it out evenly with a microfiber cloth with circular motions.

Depending on the absorption apply 2 or 3 coats at a distance of 3 – 4 hours one from the other.

In case of very rough or large surfaces apply with a low pressure gun and spread it out evenly with a microfiber cloth.

Once dry finish the protective treatment with the product BETONWAX .

Wait at least 48/72 hours before carrying out staining tests, so to allow the product to dry even in the porosity of the surface.

For the ordinary maintenance of the treated surface we recommend the regular use of MGP 24 detergent.

Warnings

Before using the product, read the toxicological data sheet (MSDS) and the label detailing all risks and the personal protective equipment to be used for a correct use. The data of this technical data sheet is based on reliable information. Despite of this, the manufacturer can't know in advance the condition of the materials to be processed and the way of use of the product. Therefore, he disclaims any and all responsibility for damage arising from inadequacy of the product for special applications.

Before treating or cleaning surfaces, carry out a test on an invisible point to prevent possible damages, since our responsibility is limited to the warranty of the purchased product and therefore we disclaim any responsibility for damages resulting from negligence or wrong use.

Packaging and Storage

Keep the original, sealed container in covered, ventilated, dry environment and keep away from heat or low temperatures. After the use keep the package well closed, so the product has a shelflife of approx. 36 months.

Box of 15 x 1 litre bottle – Box of 4 x 5 litres cans
