

Antigraffiti

Antigraffiti treatment for rough marble, granite, natural stone or agglomerate surfaces. Protects the treated surface from spray-graffiti by creating a protective film. After the treatment, the surfaces can be cleaned with a water jet.

Coverage: 1 litre for approx. 12 - 16 m² depending on the finish of the surface and on its absorption.

Strong Points

- Sacrificial anti-graffiti
- Makes the elimination of graffiti easier
- Does not change the colour of the surface
- Does not turn yellow
- Easy restoration
- Solvent free
- Eco-friendly
- Safe for the user

Application

SHAKE BEFORE USING

READY TO USE PRODUCT, DO NOT DILUTE.

Apply 1 or 2 coats by brush, roller or spray-gun according to the support type –i.e. rough or honed. In case of acts of vandalism, remove the graffiti with a strong jet of water or using the special REMOVER that dissolves the spray-paint and assures an easy cleaning of the support. Reapply MGT 8 where you remove a graffiti.

Warnings

Before using the product, read the toxicological data sheet (MSDS) and the label detailing all risks and the personal protective equipment to be used for a correct use. The data of this technical data sheet is based on reliable information. Despite of this, the manufacturer can't know in advance the condition of the materials to be processed and the way of use of the product. Therefore, he disclaims any and all responsibility for damage arising from inadequacy of the product for special applications.

Before treating or cleaning surfaces, carry out a test on an invisible point to prevent possible damages, since our responsibility is limited to the warranty of the purchased product and therefore we disclaim any responsibility for damages resulting from negligence or wrong use.

Packaging and Storage

Keep the original, sealed container in covered, ventilated, dry environment and keep away from heat or low temperatures. After the use keep the package well closed, so the product has a shelf life of approx. 36 months. Box of 15 x 1 litre bottle – Box of 4 x 5 liter cans
