

CER PROTECT K

*Ecological protector for ceramic.
Solvent free.*

Ecological protective treatment for ceramic and porcelain stoneware in any kind of finish. Gives a longer lifespan to the surface and preserves its features. Antistain sealer protecting from footprints and markers.

Coverage: 1 litre for approx. 50 m2 depending on the finish of the surface and on its absorption.

Strong Points

- Anti stain
- Anti oil
- Water-repellent
- Food contact compatible
- Does not turn yellow
- Does not change the color of the surface
- Reversible
- Not film forming
- Makes the cleaning easier
- Suitable for kitchen countertops
- Solvent free
- Eco-friendly
- May be applied on not totally dry surfaces

Application

SHAKE BEFORE USING

READY TO USE PRODUCT, DO NOT DILUTE.

On clean and dry surfaces or still wet but after water vacuuming apply CER PROTECT K directly onto the surface and spread it out evenly with a microfiber cloth with circular motions. In case of very absorbing surfaces apply 2 consecutive coats.

After drying the surface will be protected and no residues or colour changes will be noted. On poorly absorbing ceramic tiles, the product can leave some light residues, which can be removed with a cloth or a floor polisher.

Wait at least 48/72 hours before carrying out staining tests, so to allow the product to dry in the porosity of the surface.

For the ordinary maintenance of the treated surface we recommend the regular use of CER CLEAN detergent.

Warnings

Before using the product, read the toxicological data sheet (MSDS) and the label detailing all risks and the personal protective equipment to be used for a correct use. The data of this technical data sheet is based on reliable information. Despite of this, the manufacturer can't know in advance the condition of the materials to be processed and the way of use of the product. Therefore, he disclaims any and all responsibility for damage arising from inadequacy of the product for special applications.

Before treating or cleaning surfaces, carry out a test on an invisible point to prevent possible damages, since our responsibility is limited to the warranty of the purchased product and therefore we disclaim any responsibility for damages resulting from negligence or wrong use.

Packaging and Storage

Keep the original, sealed container in covered, ventilated, dry environment and keep away from heat or low temperatures. After the use keep the package well closed, so the product has a shelf life of approx. 36 months. Box of 15 x 1 litre bottle – Box of 4 x 5 liter cans
